More than half of Zenxin's contract farmers are located in the Cameron Highlands, but they are the minority in this agricultural region. Our contract farmers will tell you a long story of how they fought for a pure water source and how difficult it was.

HIGHLIGHT ACTIVITIES:

Harvest fresh produce for your next meal! Enjoy steamy steamboat in the fresh mountain air! Visit a strawberry farm, a tea plantation and a mossy forest!

Ipoh - Gopeng

Free and easy tour around the old town of Ipoh. We will be visiting an organic sweet potato farm. Get your hands dirty and win the freshest produce in the 'Sweet Potato Farmer Challenge'!

An unusual highlight of the tour is a visit to Kampung Orang Asli. The orang asli are a nomadic tribe that still uses 'hunter-gatherer' techniques for survival. Their diet consists of fruit from the jungle, wild yams and fish. Let's experience their lifestyle together!

HIGHLIGHT ACTIVITIES: 'Farmer Challenge' at an organic sweet potato farm. Enjoy delicious sweet potatoes prepared on the farm for you by the farmers themselves. Visit a traditional soy sauce factory, stay in the farm itself, explore old Ipoh town on foot, enjoy healthy cuisine at Purple Cane Tea House, experience Orang Asli food and handicrafts etc.
